JOINT MOTION BY DEFENDANTS TO EXTEND THEIR TIME TO FILE MOTIONS TO DISMISS THE COMPLAINT AND SUPPORTING BRIEFS

Defendants in this action jointly request a short, one-week extension of time to move to dismiss Plaintiffs' Complaint and to file their respective supporting briefs. In support of this motion, Defendants state as follows.

- 1. Currently, Defendants' motions to dismiss the Complaint arc due to be filed in this action on May 6, 2003.
- 2. Defendants currently are in the process of preparing separate motions to dismiss the Complaint and separate supporting briefs. Defendants are, however, attempting to coordinate their efforts to avoid redundancy and to produce more concise briefs in support of their respective motions. This process is a desirable one because it will ultimately reduce the size of the collective filings and will substantially ease the burden on this Court and the parties.
- 3. In order for this process to be effective, a short extension of time is needed to enable Defendants to exchange drafts, coordinate submissions, and respond to the Plaintiffs' Complaint in an efficient and direct manner. Accordingly, Defendants respectfully request that

they be granted one additional week, i.e., until May 13, 2003, to submit their motions and supporting materials.

4. Wherefore, Defendants respectfully request that they be granted until May 13, 2003 to file their motions to dismiss and supporting briefs, and that the remaining briefing dates (June 5 for responses and July 7 for replies) concomitantly also each be extended by one week.
